Seen, Heard and Done Among Those Who Go, Come and Tarry—Women and Society, Here and Elsewhere

MRS. DICK McALLISTER'S WATERMELON FLINCH.

In these days of innumerable social entertainments the hostess who presents a novelty in decorative effect has achieved a real distinction, and Mrs. Dick McAllister succeeded in doing so last evening when she entertained the Excelsior Flinch Club with what she modestly termed a "Watermelon Flinch." But the term gives no idea of the possibilities the charming hostess tastefully displayed.

The decorations were all in watermelon pink and green beautifully carried out in Crepe Myrtle whose rosy blossoms massed together in settings of dark green foliage carried out the idea in a perfect way.

The score cards were slices of watermelon on which the scores were kept with tiny black babies.

"The Flinch Club Baby '05"—Mattie May, daughter of Mrs. Angus McMillan, who made her club debut on this auspicious occasion—was presented by the hostess with an amusing souvenir in the form of a porcelain figure of a little black baby in a little white slip sitting down eating a big slice of watermelon.

The refreshments were ice cold watermelon served in crushed ice and delicious fruit ices.

Miss Hearn of Atlanta, who is visiting Miss Daisy McAllister, was the special guest of the club.

This is the last meeting this season, the Club disbanded for the summer.

THE BEAUTY CHASE.

Here are some of the things that society women really do or have done in the mad chase for beauty.

They take milk baths.

They bathe their faces daily in real sweet cream.

They have their entire faces skinned so that a new skin may grow over the old surface.

They have their noses shaped.

They shave their eyebrows into a perfect arch.

They have their lips shaped into a cupid's bow.

They have all nature's fine hairs removed from the skin by electrolysis.

They have real dimples cut in their cheeks and chins.

They have good strong crooked teeth removed and artificial straight ones screwed on to the stumps.

They go into complete retirement for six months at a time, are "done over," and emerge perfect beauties.

They have artificial insides made in their slippers—Minneapolis Tribune.

SAMPEY-BELLINGER A PRETTY CHURCH AFFAIR.

The First Baptist church was prettily decorated with white flowers and greenery for the wedding of Miss Bessie Erin Sampey and Mr. Henry Bellinger which took place Wednesday morning at 11:30.

Rev. Frederic Jones, the pastor officiated and Mr. Mansfield Moreno, Mr. C. L. Shine, Mr. Sam Pasco and Mr. Scott Loftin were the ushers.

Mr. A. A. Brooks was best man and Miss Ethel Suter, very lovely in white and carrying pink carnations was maid of honor and entered with the bride who wore a traveling suit of blue silk with a blue and white hat and carried white carnations.

A merry party of friends saw them off on the noon train for New Orleans on a honeymoon trip. On their return they will reside at the Old Mill Inn.

MR. AND MRS. WILLIAMS AT HOME IN PINE BARREN.

Mr. Wiley Williams and his bride, formerly Miss Anna Mackey of Roberts, are now charmingly located in Pine Barren where they are at home to their friends.

The bride who is a sister of Mr. W. C. Mackey of this city, wore a bridal robe of white voile over white silk and was gracefully attended by her sister and maid of honor Miss Lena Williams beautifully gowned in white pointed de spirit over silk, and Miss Florence Thatcher as bridesmaid in white organza and lace, forming a trio of girlish beauty.

The groom was attended by Mr. Finley of Roberts as best man and Mr. Jesse Mackey brother of the bride as groomsmen.

An interesting feature of the festivities was the fact that the officiating minister was Rev. James Tate of Roberts former teacher of the bride and she is the ninetieth of his pupils at whose wedding he has officiated.

The wedding, which took place at 8:30 at the home of the bride's parents, Mr. and Mrs. J. B. Mackey in Roberts, was followed by a general reception from 9 to 11, at which Mr. and Mrs. Mackey and the bridal party were assisted by Mrs. Sallie Witmore of Pensacola, and Mrs. Connor of Roberts.

The rooms were beautifully decorated

ed with ferns and cut flowers and growing plants, the parlor, dining room and sitting room being bowered of floral beauty.

Mr. and Mrs. Williams left on the midnight train showered with good wishes, and more material tokens of merry friends, and at their new home they have a wealth of handsome tokens of love and esteem.

The friends of Mrs. George E. Smith and family will be pleased to learn that her young daughter Miss Lillian is slowly improving and was able to sit up yesterday.

Sheriff Van Felt and family left yesterday morning for Mary Esther where they will enjoy the fine fishing till Saturday.

Mrs. L. Ebbbeck of Mobile is in the city for a few weeks, for the first time in 24 years. Before she came to Pensacola she stopped at Brent for a few days but now is the guest of Mr. and Mrs. J. L. Borras.

The singing of Mr. and Mrs. N. McKenzie Oerting, Mrs. F. E. Brawner, Miss Nellie Glenn and Mr. D. Hale Wilson, accompanied by Mrs. Flinn at the memorial services of Damon Lodge No. 13, K. of P. Tuesday night, has been very highly complimented as one of the fine features of the interesting and impressive service.

Mrs. (Dr.) Tiffin of Brewton, Ala. is spending the week with her parents Rev. and Mrs. B. C. Glenn. Mrs. Tiffin is accompanied by little Miss Archie Douglas and Miss Minnie May Harold, of Brewton.

Mr. Richard Saunders accompanied Mr. Majette Tuesday night to St. Andrews Bay where he will recreate for a week or two.

Miss Nettie May Hodgkins who has been visiting her grandparents for a few days, has gone to Mattoon, Ill. to join her parents and a party of friends going to Portland, Oregon, and possibly to Alaska.

Miss Mary Huey of Springfield, Tenn., and Miss Jean Goldthwaite of Hopkinsville, Ky., arrived last evening on a visit to Miss Dixie and Miss Corrie Bass.

Mrs. Charles Ballejo and two children of New Orleans are visiting Capt. Charles Perry and family.

Mrs. Sallie Witmore returned last evening from Roberts where she went last week to attend the Mackey-Williams wedding.

These warm days suggest ice cream. If you use Blue Ribbon Lemon or Vanilla the flavor will be perfect. Ask your grocer for Blue Ribbon Lemon and Vanilla. Takes less. Flavors perfectly.

The Journal's Daily Fashion Feature

SHIRT-WAIST SUIT IN SILK-WARP HENRIETTA.

A pretty shade of Dresden blue is used in this smart, shirt-waist suit that is plain enough for morning wear, and yet dressy enough for afternoon. The shirt waist has a shallow chemise of lace, and the rest of white pique is slit at intervals and a plaid silk cravat that encircles the lace collar is threaded through these slits, the ends flying free above the waist. The shoulder is broad and the sleeve of a full shirt pattern. A hint of a bolero is given in the arrangement of the lace on the blouse, and the fullness is drawn smoothly into the ribbon belt. The skirt is in extremely full and rippled gores, close fitting at the hip and flaring widely at the hem. Lace defines each gore, and a princess haircloth is inserted in the hem for a depth of several inches to sustain the correct flare without undue stiffness.

To Remove Freckles and Pimples

IN 10 DAYS, USE

SATINOLA

THE COMPLEXION BEAUTIFIER

SATINOLA is a guaranteed, and money refunded if it fails to remove the worst case of Freckles, Pimples, Tan, Liver Spots, Salowness, Black-heads, or any other skin eruption in 20 days—leaves the skin clear, soft, healthy and restores the beauty of youth. Thousands testify to the merits of Satinola.

Miss Bessie Miller writes:—Levy's, S. C. Aug. 9, 1904. "I am delighted with the results of Satinola. Of the many preparations I have used, Satinola is the only one I have found to positively remove freckles and clear the complexion. One of my friends has used it and is very enthusiastic." Price 50c and \$1.00 by leading druggists or mail.

National Toilet Co., Paris, Tenn. Sold in Pensacola by all leading dealers.

MURDERER SHOT DOWN BY POSSE OF MINERS

By Associated Press.

Macon, Mo., June 21.—In the vicinity of Koota, a posse of miners has shot and killed Jack Plummer, a miner who had a short time previously shot and killed William Dale, a mine mole driver overseer. Plummer had been discharged by Dale because of cruelty to the animals he drove. Plummer deliberately walked up to Dale and shot him dead and then fled, but was discovered by a posse of miners who called upon him to surrender. He replied with a volley from his revolver and was then riddled with bullets.

In Mad Chase.

Millions rush in mad chase after health, from one extreme of faddism to another, when, if they would only eat good food, and keep their bowels regular with Dr. King's New Life Pills, their troubles would all pass away. Prompt relief and quick cure for liver and stomach trouble. 25c at all druggists; guaranteed.

Band Concert and Dance.

The regular Thursday night band concert and dance will take place tonight at Electric Park. A delightful programme has been arranged and a good time is assured to all.

SUPT. BURNS IS REMOVED

CHARGES WERE PREFERRED BY MAYOR BLISS YESTERDAY, ALLEGING ENDORSEMENT OF FRAUDULENT BILLS FOR FEED USED IN PUBLIC WORKS DEPARTMENT.

Mayor Bliss yesterday suspended Street Superintendent John Burns from office on the ground of his having endorsed fraudulent bills for feed used in the department of public works. The following is a copy of the order of removal:

Pensacola, Fla., June 21, 1905.

Mr. John Burns, Street Superintendent, City of Pensacola, Fla.

Dear Sir:—By the authority and power in me vested I hereby remove you from the office of Street Superintendent of the City of Pensacola, and I command you to cease work and surrender all papers and documents and other property in your possession to the City Clerk forthwith.

My reason for your removal from office is:

Your endorsement of fraudulent bills for feed used in the department of Public Works.

In witness whereof I hereunto set my hand and seal this twenty-first day of June, 1905.

CHAS. H. BLISS, Mayor.

Attest: B. S. BERNARD, City Clerk.

Mayor Bliss is said to base his action on certain vouchers on file in the city clerk's office, which are alleged to show that bills for feed sold the city were made out for a price higher than that quoted in the bids, and were endorsed by Superintendent Burns.

On the removal of Superintendent Burns, the assistant superintendent, Jeff Spottswood, was placed in charge of the street work.

Torture of a Preacher.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased conditions of Throat and Lungs. At all druggists; price 50c and \$1.00 guaranteed. Trial bottle free.

THE EGG IN HISTORY.

It is Surrounded by Many Ancient Legends and Beliefs.

Like many another term in Christian nomenclature, the word "Easter" is derived from pagan sources. The Saxon goddess of light, Estra, was honored with an annual festival at the vernal equinox. The Jewish Passover was also regulated by the March moon, and the resurrection of Jesus occurred at this season. In later centuries the great Christian festival came to bear the pagan name Easter and to be celebrated at a time coincident with the Jewish feast.

Since remotest times the egg has symbolized re-creation. Persian tradition has it that the world was hatched from an egg at the season which corresponds to the vernal equinox, for which reason eggs are still given for New Year's presents by the Persians. The druids said that the sun, a great egg, hatched from itself the earth and other planets.

By the Chinese it is believed that the world was formed of two parts of a great egg. From the yolk man came forth. He then waved his hand, and the upper half of the shell went upward and became the concave heavens; the lower half reversed, making the convex earth, and the white albumen became the seas.

When Christianity took over various of the Saxon rites the Paschal eggs of the Jews were vested with a new significance—namely, the resurrection of Christ. They were colored red in memory of the blood shed for man's redemption.—Chicago News.

EAGLES IN REAL LIFE.

They Do Not Possess the Mad Ferocity One Reads About.

Did the old eagle show fight? Is the first query put by the casual listener. I always see a trace of disappointment when he hears the answer. The moment you speak of climbing to an eagle'serie the average man gets an idea of a harrowing tale of the photographer hanging to the edge of a cliff or the top of a tree, with the old eagles clawing out pound chunks at every swoop. Few eagles possess the mad ferocity pictured and magnified by sensational story tellers. When we first scrambled over boulders of the canyon up toward the nest I saw the old eagle slip quietly from her eggs and skim out over the mountain top. When I strapped on the climbers to ascend the tree I had one eye opened for trouble. But each time we visited the spot the parents silently disappeared and stayed away as long as we dared to hold possession. They kept a watchful eye, however, from the blue distance overhead. For a noble bird like the eagle this abandoning of the nest and young seemed to me cowardly at first. Perhaps the long years of persecution have taught him something. The first rule of self preservation of this pair seemed to be to keep half a mile distant from the animal that fights with neither beak nor claw.—Country Calendar.

GOOD BLOOD TELLS ITS OWN STORY

And tells it eloquently in the bright eye, the supple, elastic movement, the smooth, soft skin, glowing with health, a body sound and well, an active brain, good appetite and digestion, refreshing sleep, energy to perform the duties and capacity to enjoy the pleasures of life. The blood is the most vital part of the body; every organ, muscle, tissue, nerve, sinew and bone is dependent on it for nourishment and strength, and as it circulates through the system, pure and strong, it furnishes to these different parts all the healthful qualities nature intended. When, from any cause, the blood becomes impure or diseased, it tells a different story, quite as forcible in its way. Itching, burning skin diseases, mummy, sallow complexions, disfiguring sores, boils, carbuncles, etc., show the presence, in the blood, of some foreign matter or poison. Rheumatism, Catarrh, Contagious Blood Poison and Scrofula, are effects of a deeply poisoned blood circulation. These may either be inherited or acquired, but the seat of trouble is the same—the blood. S. S. S., a purely vegetable blood remedy, cleanses and purifies the circulation and makes it strong and clean. Under its purifying and tonic effects all poisons and impurities are expelled from the blood, the general health is built up, all disfiguring eruptions and blemishes disappear, the skin becomes soft and smooth and robust health blesses life. Rheumatism, Catarrh, Scrofula, Contagious Blood Poison and all diseases of the blood are cured by S. S. S. Book on the blood and any medical advice, free of charge. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**
